

Automation & Dispatching Centers Projects

Serial	Project name	Start date	Finish date	Location	Scope of work	Client
1	Procurement and construction of two supporting and main centers of National Dispatching	2010	2013	Around the country	Site supervision and engineering services	MAPNA
2	DTS system for RDC dispatching and CAOC center	2010	2011	Isfahan	Consulting and engineering services	Esfahan Regional Electric Company
3	Tendering and supervision for Shoosh-Exhibition RDC dispatching control center	2010	2011	Tehran	Consultancy services	Tehran Regional Electric Company
4	Preparing documents of telecommunication and Dispatching system maintenance	2010	2011	Yazd	Consultancy services	Yazd Regional Electric Company
5	Yazd 2 substation SCADA	2010	2011	Yazd	Engineering services	Yazd Regional Electric Company
6	Boushehr, Kazeroon, Abadeh, Marvdasht RDC dispatching centers	2010	2010	Boushehr	Consultancy services	Fars Regional Electric Company
7	Changing SCADA system of Mosala and Tehran Pars dispatching center	2010	2011	Tehran	Engineering services	Tehran Regional Electric Company
8	West North region dispatching centers and Tabriz RDC	2009	2010	Tabriz	Engineering services	Azarbaijan Regional Electric Company
9	Yazd substations dispatching and telecommunication	2009	2011	Yazd	Site supervision and engineering services	Yazd Regional Electric Company
10	Construction of Iran National Dispatching Centers	2008	2008	Tehran	Primary studies	Iran Grid Management Company
11	Automation of Tehran distribution substations	2008	2010	Tehran	Consultancy services	Tehran Electric Power Distribution Company
12	Yazd RDC dispatching	2008	2009	Yazd	Site supervision services	Yazd Regional Electric Company
13	Orumiye and Ardebil RDC dispatching centers	2008	2010	Ardebil, West Azarbaijan	Engineering services	Azarbaijan Regional Electric Company
14	Sending information from Gilan, Golestan, Mazandaran transmission post to NAOC control center	2008	2010	Gilan, Golestan, Mazandaran	Engineering services	Mazandaran Regional Electric Company
15	Yazd RDC dispatching plan	2007	2008	Yazd	Engineering services	Yazd Regional Electric Company
16	Markazi province RDC SCADA system equipments	2007	2008	Arak	Supervision and engineering services	Bakhtar Regional Electric Company
17	Development plan for RTU of Masjed Soleiman power plant and substations	2007	2008	Masjed Soleiman	Engineering services	Iran Water & Power Resources Development Co.
18	Orumiye & Ardebil RDCs	2007	2008	Ardebil, West Azarbaijan	Tender engineering services	Azarbaijan Regional Electric Company
19	DCS connection to North dispatching control center	2007	2008	Mazandaran, Golestan	Supervision and engineering services	Mazandaran Regional Electric Company
20	Upgrading West regional Dispatching Center	2007	2009	Kermanshah	Supervision and engineering services	West Regional Electric Company
21	Markazi province interface system	2007	2008	Arak	Supervision services	Bakhtar Regional Electric Company
22	Jahrom, Lar and Fasa dispatching	2006	2008	Fasa, Lar, Jahrom	Supervision and engineering services	Fars Regional Electric Company
23	Mazandaran RDC interface system	2006	2010	Mazandaran	Consultancy services	Mazandaran Regional Electric Company
24	Arak interface	2006	2006	Arak	Site supervision services	Bakhtar Regional Electric Company
25	Kermanshah interface system	2006	2006	Kermanshah	Engineering services	West Regional Electric Company
26	Automation of Yazd distribution	2005	2008	Yazd	Engineering services	Yazd Electric Power Distribution Company
27	Azarbaijan interface	2005	2008	Azarbaijan	Supervision services	Azarbaijan Regional Electric Company
28	Yazd substations connection to Kerman AOC dispatching center	2005	2008	Yazd	Engineering services	Yazd Regional Electric Company
29	Lorestan RDC dispatching	2005	2007	Lorestan	Engineering services	Bakhtar Regional Electric Company
30	Interface and SCADA of Dasht Abas and Zarinabad substations and DCS of Dehloran	2005	2007	Ilam	Engineering services	West Regional Electric Company
31	Tehran RDC dispatchings	2005	2007	Tehran	Tender engineering services	Tehran Regional Electric Company

Automation & Dispatching Centers Projects

Serial	Project name	Start date	Finish date	Location	Scope of work	Client
32	Procurement, Installing and Commissioning of Fars RDC dispatching center	2005	2006	Fars	Engineering services	Fars Regional Electric Company
33	Connection of DCS transmission substations to North dispatching control center	2005	2006	Mazandaran	Supervision and engineering services	Mazandaran Regional Electric Company
34	Bakhtar central RDC	2004	2009	Markazi Province	Supervision and engineering services	Bakhtar Regional Electric Company
35	System development of Mazandaran regional dispatching center-RDC	2004	2005	Mazandaran	Engineering services	Mazandaran Regional Electric Company
36	Changing automation system of Hormozgan DCS	2004	2005	Hormozgan	Engineering services	Hormozgan Regional Electric Company
37	Yazd dispatching	2004	2006	Yazd	Site supervision and engineering services	Yazd Regional Electric Company
38	Azarbaijan interface-second phase	2004	2004	Azarbaijan	Supervision and engineering services	Azarbaijan Regional Electric Company
39	Kermanshah automation	2004	2006	Kermanshah	Engineering services	West Regional Electric Company
40	SCADA and Interface of Zanjan RDC dispatching	2003	2008	Zanjan	Engineering services	Zanjan Regional Electric Company
41	Interface system of Yazd RDC dispatching	2003	2006	Yazd	Engineering services	Yazd Regional Electric Company
42	Automation of Orumiye and Tabriz distribution network	2003	2005	West and East Azarbaijan	Supervision services	Azarbaijan Regional Electric Company
43	Markazi province interface system	2003	2005	Markazi Province	Site supervision and engineering services	Bakhtar Regional Electric Company
44	Markazi province interface system	2003	2006	Markazi Province	Supervision and engineering services	Bakhtar Regional Electric Company
45	Technical evaluation of Isfahan distribution automation	2003	2003	Isfahan	Technical evaluation	Esfahan Electric Power Distribution Company
46	NAOC dispatching	2003	2005	Mazandaran	Site supervision services	Mazandaran Regional Electric Company
47	Yazd RDC dispatching	2003	2006	Yazd	Supervision and engineering services	Yazd Regional Electric Company
48	NAOC telecommunication plan	2003	2004	Mazandaran	Site supervision services	Mazandaran Regional Electric Company
49	West regional dispatching	2003	2004	Kermanshah	Site supervision services	West Regional Electric Company
50	Semnan dispatching plan	2002	2004	Semnan	Engineering services	Semnan Regional Electric Company
51	Isfahan distribution automation	2002	2003	Isfahan	Tender documents and feasibility studies	Esfahan Electric Power Distribution Company
52	Semnan RDC dispatching	2002	2004	Semnan	Supervision services	Semnan Regional Electric Company
53	Automation plan of Tehran center	2002	2003	Tehran	Plan documents preparation	Tehran Electric Power Distribution Company
54	Bakhtar dispatching interface	2001	2003	Markazi Province	Tendering and feasibility studies	Bakhtar Regional Electric Company
55	Yazd dispatching	2001	2003	Yazd	Tender documents and feasibility studies	Yazd Regional Electric Company
56	Zanjan RDC dispatching	2001	2002	Zanjan	Tendering and feasibility studies	Zanjan Regional Electric Company
57	Semnan RDC dispatching	2001	2001	Semnan	Evaluation and holding the tender	Semnan Regional Electric Company
58	NAOC interface system	2001	2003	Mazandaran	Site supervision services	Mazandaran Regional Electric Company
59	Automation plan	2000	2000	Tehran	Feasibility studies	Tehran Electric Power Distribution Company
60	Azarbaijan RDC dispatching	2000	2001	West Azarbaijan	Tender documents and feasibility studies	Azarbaijan Regional Electric Company
61	Interface and SCADA of Nima& Zimavar 63 kv substation	2000	2004	Mazandaran	Engineering services	Mazandaran Regional Electric Company
62	Tehran dispatching interface	1999	2000	Tehran	Technical evaluation	Tehran Regional Electric Company

Automation & Dispatching Centers Projects

Serial	Project name	Start date	Finish date	Location	Scope of work	Client
63	Tehran dispatching	1999	2001	Tehran	Engineering services	Tehran Regional Electric Company
64	Fars SAOC	1999	2000	Fars	Supervision services	Fars Regional Electric Company
65	Karaj dispatching	1999	2000	Karaj	Technical evaluation	Tehran Regional Electric Company
66	North regional NAOC dispatching-Third phase	1999	2004	Mazandaran	Supervision services	Mazandaran Regional Electric Company
67	NAOC dispatching interface	1999	2000	Mazandaran	Supervision and tendering	Mazandaran Regional Electric Company
68	Fars dispatching-SAOC	1998	1998	Fars	Tendering and evaluation	Fars Regional Electric Company
69	North West and Tehran dispatching centers	1998	2000	Tehran	Supervision services	Tehran Regional Electric Company
70	Procurement of Fars PLC equipments	1998	1998	Fars	Supervision services	Fars Regional Electric Company
71	Evaluation and revising Hesar Mehtar dispatching system	1998	1998	Tehran	Engineering services	Tehran Regional Electric Company
72	Sari dispatching	1998	2000	Saari	Supervision services	Mazandaran Regional Electric Company
73	Arak marshalling	1998	1999	Markazi Province	Engineering services	Bakhtar Regional Electric Company
74	Mazandaran RDC dispatching	1997	1997	Mazandaran	Holding the tender	Mazandaran Regional Electric Company
75	Mazandaran dispatching-NAOC	1997	1997	Mazandaran	Holding the tender	Mazandaran Regional Electric Company
76	Tehran dispatching center and West North centers	1997	1998	Tehran	Technical evaluation	Tehran Regional Electric Company
77	East South and South Tehran dispatching centers	1997	1999	Tehran	Supervision services	Tehran Regional Electric Company
78	Semnan dispatching	1997	1998	Semnan	Tender documents and feasibility studies	Semnan Regional Electric Company
79	East South and South Tehran dispatching centers	1996	1997	Tehran	Technical evaluation	Tehran Regional Electric Company
80	25% percent increasing amendment o20 Fars remote terminals project	2011		Fars	Engineering services	
81	Dispatching of Yazd substations	2011		Yazd	Engineering services	
82	Renewing SCADA system of Karaj dispatching center	2011		Karaj	Site supervision and engineering services
