

Gas power plants						
Serial	Project name	Start date	Finish date	Location	Scope of work	Client
1	Iranshahr power plant	2009	2010	Iranshahr	Design and engineering services	Iran Power Development Company
2	Mahshahr power plant	2009	2010	Mahshahr	Design and engineering services	Iran Power Development Company
3	Hormozgan power plant	2009	2012	Hormozgan	Design and engineering services	Iran Power Development Company
4	Fars B.O.T power plant	2009	2011	Fars	Design and engineering services	Fars gas power plant company
5	Fars B.O.T power plant	2009	2011	Fars	Site supervision	Fars gas power plant company
6	Development of Ardebil power plant	2009	2010	Ardebil	Design and engineering services	Iran Power Development Company
7	Development of Ardebil power plant	2009	2011	Ardebil	Site supervision	Iran Power Development Company
8	Semnan power plant	2008	2010	Semnan	Design and engineering services	Iran Power Development Company
9	Semnan power plant	2009	2010	Semnan	Site supervision	Iran Power Development Company
10	Kermanshah power plant	2008	2010	Kermanshah	Design and engineering services	Iran Power Development Company
11	Kermanshah power plant	2009	2010	Kermanshah	Site supervision	Iran Power Development Company
12	Zanjan 3 power plant	2008	2010	Zanjan	Design and engineering services	Iran Power Development Company
13	Development of Orumiye power plant	2008	2010	Orumiye	Design and engineering services	Iran Power Development Company
14	Development of Orumiye power plant	2009	2010	Orumiye	Site supervision	Iran Power Development Company
15	Zanjan 3 power plant	2009	2010	Zanjan	Site supervision	Iran Power Development Company
16	Aliabad BOO power plant	2008	2010	Aliabad	Design and engineering services	Azarakhsh Power Generation Co.
17	Shahrood power plant	2008	2009	Shahrood	Design and engineering services	Iran Power Development Company
18	Shahrood power plant	2009	2010	Shahrood	Site supervision	Iran Power Development Company
19	Najaf power plant	2007	2009	Najaf	Design and engineering services	Iran Power Development Company
20	Najaf power plant	2008	2011	Najaf	Site supervision	Iran Power Development Company
20	Kashan power plant	2007	2009	Kashan	Design and engineering services	Iran Power Development Company
21	Khoramshahr power plant	2007	2009	Khoramshahr	Design and engineering services	Saba Power & Electricity Industries holding Co.
22	Khouzestan Steel power plant	2006	2008	Ahvaz	Design and engineering services	Khouzestan Steel
23	Chabehar 3000 MW project	2006	2007	Chabehar	Design and engineering services	Iran Power Development Company
24	Ghaen 3000 MW project	2006	2008	Ghaen	Design and engineering services	Iran Power Development Company
25	South Pars-Besat centralized power plant	2006	2009	Asaluye	Design and engineering services	Pars oil and gas company

Gas power plants

Serial	Project name	Start date	Finish date	Location	Scope of work	Client
26	South Pars-Besat centralized power plant	2006	2009	Asaluye	Site supervision	Pars oil and gas company
27	Ardebil 3000 MW project	2005	2007	Ardebil	Design and engineering services	Iran Power Development Company
28	South Isfahan power plant	2004	2006	Isfahan	Design and engineering services	South Isfahan power plant company
29	Orumiye 3000 MW project	2004	2005	Orumiye	Design and engineering services	Iran Power Development Company
30	Sanandaj BOP2 power plant	2003	2005	Sanandaj	Design and engineering services	Iran Power Development Company
31	Parand 3000 MW project	2003	2004	Parand	Design and engineering services	Iran Power Development Company
32	Hormozgan power plant	2002	2004	Hormozgan	Design and engineering services	Iran Power Development Company
33	30 unit project (Damavand, Kazeroon, Sanandaj, Shirvan)	2002	2006	Damavand, Kazeroon, Sanandaj, Shirvan	Design and engineering services	Iran Power Development Company
34	Abadan power plant	2001	2003	Abadan	Design and engineering services	Iran Power Development Company
35	Raysut power plant	1998	1999	Oman	Design and engineering services	Oman Ministry of Water and Electricity
