

**Oil, Gas & Petrochemical projects**

Serial	Project name	Start date	Finish date	Location	Scope of work
1	Consultancy services for site supervision of network, transmission, feeding line, pressure reduction stations, distribution and construction works	2012	2014	Gorgan	Engineering services, Technical services and site supervision
2	Consultancy services for design review of phase 19 turbo compressor-Unit 106	2012	2013	South Pars	Consulting and engineering services
3	3-D Modeling and As-Built drawings of loading manifold and region oil tanks	2012	2012	Khark	Engineering services
4	Consulting services for study phase of As-Built making of technical documents in Hasheminejad gas refinery	2012	2012	Sarakhs	Consulting and engineering services
5	Feasibility study for providing heat energy for Nosood and Nodshe cities	2011	2012	Kermanshah	Engineering services
6	Metering engineering project	2011	2012	All around country	Design and engineering services
7	Auditing of electricity and thermal energy and giving solutions to enhance energy consumption of supply and demand sections	2011	2012	Special economical energy zone of Pars	Engineering services
8	Engineering services for construction of gas pressure reduction station	2011	2012	Karaj	Design and engineering services
9	Steam and power of Pars petrochemical complex	2008	2012	Asaluye	Design and engineering services
10	LNG utility	2008	2011	Kangan	Engineering services
11	Isfahan refinery plant-Package C	2007	2011	Isfahan	Engineering services, Technical services and site supervision
12	SAVEX	2009	2010	Tehran	Design and engineering services
13	Phase 15 and 16-South Pars gas field utility project	2007	2010	Asaluye	Engineering services
14	Mobin utility complex combined heat and power plant-Extension plan unit 7 and 8	2007	2009	Asaluye	Design and engineering services
15	Fajr 2 utility complex-Combined heat and power plant	2007	2009	Imam port	Engineering services
16	(Kermanshah, Lorestan, Mahabad, Kurdistan, Gachsaran)Bakhtar petrochemical utility	2005	2006	Kermanshah, Lorestan, Mehabad, Kordestan, Gachsaran	Consulting and engineering services
17	Mobin utility complex combined heat and power plant	2003	2005	Asaluye	Field engineering services
18	Mobin utility complex combined heat and power plant	2002	2003	Asaluye	Design engineering services
19	Basic And Detailed Design Of Gachsaran Oil Wells And Subsidiary Facilities Automation Project	2012	2013	Kharg	Consulting and engineering services
20	ENGINEERING SERVICE FOR UPGRADING ABB SUPERVISION SYSTEM OF BALAL STATION - Lavan area	2012	2012	Lavan	Consulting and engineering services

Client
Golestan gas company
Nir Pars
Iranian offshore oil company
S.G.P.C (Khangiran)
Kermanshah gas company
National Iranian oil company/ Nir Pars
Iranian Fuel Conservation Company (IFCO)
MAPNA turbine company
Damavan petrochemical company
ILC
National Iranian Oil Engineering and Construction Company (NIOEC)
National Iranian gas export Co./EGLAG
ISO / ICO
Mobin petrochemical complex
Fajr 2 petrochemical company
Bakhtar petrochemical company
Mobin petrochemical complex
Mobin petrochemical complex
National Iranian South Oil Company
Iranian offshore oil company
